SUBJECT: Request for Views - S. 1347 - Access to  
State and Local Criminal Records

1. Attached for your review and comment, please find a copy of: S. 1347; a letter from Senator Roth, Chairman of the Senate Governmental Operations Committee requesting the Agency's view on S. 1347; and, a copy of a draft response to Senator Roth on behalf of the Agency from the Director, Office of Legislative Liaison.

2. You will recall that earlier the Agency's views on this legislation were solicited by a staff member of the Senate Armed Services Committee and the Agency responded that it favored such legislation. On the basis of that response, we understand that the provisions of S. 1347 will be added to S. 1281, the Intelligence Authorization Act for Fiscal Year 1986, by the Senate Armed Services which currently has that Bill before it on referral. Nevertheless, the Agency must respond to Senator Roth's request for views as the Bill is properly before his Committee. We do anticipate, however, that the legislation will see floor action via the Intelligence Authorization Act route and not via Senator Roth's Committee.

3. As the Agency's views letter will have to be cleared by the Office of Management and Budget prior to its transmission to Senator Roth, and the Senator has asked to receive the
